

Citizens' CourtWatch Mission

CourtWatch endeavors to provide Citizens with an understanding of the Criminal Justice System and encourages them to actively participate in the process.

This will be accomplished by:

- *Educating Citizens about the Court System;*
- *Encouraging the active participation of Citizens in the Court System through attendance at court hearings;*
- *Assisting the Courts in making appropriate decisions by providing Citizen input;*
- *Allowing Citizens to have a voice regarding the impact crime has on their communities;*
- *Supporting the Police and Prosecution in successfully convicting Repeat Offenders, and*
- *Ensuring that Court decisions are consistent with the values of the Community.*

Citizen involvement in the Court System sends a message to criminals that crime will not be tolerated in our communities.
